

Innocademy

Allegan Campus 

2611 56th Street, Fennville, MI 49408

April 12, 2019

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-18 educational progress for the Innocademy Allegan Campus. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Marty Lappe for assistance.

The AER is available for you to review electronically by visiting the following web site [MI School Data Combined Report](#), or you may review a copy in the main office at your child's school.

For the 2017-18 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

* Note TSI and ATS definitions were changed for the 2018-19 school year per federal requirements. The new definitions are:

TSI – The school has at least one subgroup performing in the bottom 25% within each applicable accountability index component.

ATS – The school has met the criteria for TSI identification and has at least one subgroup performing at the same level as a CSI school.

Our school has not been given one of these labels. However, one of our biggest challenges that we face is our student achievement assessment scores, particularly with the MSTEP. This year, we're spending much more time attacking the assessment from both the academic and social-emotional aspects. Our interventionist is talking to all students about test taking strategies; our school social worker is talking to all students about test anxiety and ways to reduce the

stress; our teachers are providing opportunities for students to practice the test; and our lead is talking to each individual student about his/her scores from last year and the importance of putting forth his/her best effort during the test. We believe that by implementing these strategies, our student achievement will improve.

State law requires that we also report additional information.

STUDENT ASSIGNMENT PROCESS

Innocademy Allegan Campus has an open enrollment policy and does not discriminate on the basis of intellectual or physical abilities, achievement or aptitude, religion, race, or gender. In the event student enrollment applications exceed available positions, a random selection lottery drawing is conducted under the direction of a representative of the authorizer Lake Superior State University.

3-5 YEAR SCHOOL IMPROVEMENT PLAN

Innocademy Allegan Campus is in the fourth year of the School Improvement Plan. Staff are working with students in goal areas of reading, writing and math. Innocademy Allegan Campus' improvement team is focused on implementing innovative, best practices in all content areas. Within the school improvement process, staff are able to analyze data and adjust instruction with a goal of improved student learning, as well as provide opportunities for flexible groupings (just right learning groups).

CORE CURRICULUM

Innocademy Allegan Campus will continue to follow Common Core state standards. These standards can be located at www.corestandards.org. In order to implement these standards, we use approved resources, such as Lucy Calkins Reading and Writing Workshop Curriculum, Words Their Way, Math Expressions, Battle Creek Science, Nystrom, and Social Studies Alive. The school's curriculum can be found at our [website](#). Innocademy Allegan Campus offers Just Right Learning groups in an effort to meet the students' individual needs. This is a three-prong approach, which includes using academic data, social readiness, and parent conferences.

To strengthen our academic program, Innocademy Allegan Campus implements additional experiences like:

1. Multi-Age Collaboration
2. Nature-based curriculum through a partnership with Outdoor Discovery Center
3. Stewardship
4. Capstone Trips: Extended Field Experiences
5. Special Education
6. Seven Habits of Happy Kids and Community Partnerships
7. 1:1 devices
8. MTSS Program

Innocademy Allegan offers a high quality, college and career-ready education within an environment that focuses on development of the whole child and integrates global awareness and acquisition of 21st Century Skills. Our students will graduate from high school and participate in post-secondary education having demonstrated the skills needed to become an active and productive citizen in a global community.

AGGREGATE STUDENT DATA

- Elementary or middle school assessment results on the Michigan Student Test of Educational Progress (M-STEP), high school assessment results on the M-STEP component of the Michigan Merit Exam (MME), and assessment results for students with disabilities on Michigan's Alternative Assessment Program (MI-Access).
- Presents achievement data for all four tested subjects (English language arts, mathematics, science, and social studies) compared to targets for all students as well as subgroups of students

ACCOUNTABILITY SCORECARD-DETAIL DATA AND STATUS

The accountability portion of the AER includes assessment proficiency and participation rates, graduation or attendance rates, as well as accountability scorecard status.

TEACHER QUALIFICATION DATA

- Identifies teacher qualifications at district and school levels
- Reports percentage of core academic classes taught by teachers not considered highly qualified to teach such classes

NAEP DATA (NATIONAL ASSESSMENT OF EDUCATIONAL PROGRESS)

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

PARENTAL INVOLVMENT

Parent involvement is very important and encouraged at Innocademy Allegan Campus. In addition to conferences, Innocademy Allegan Campus also holds four parent meetings every year. We strive to communicate weekly through school-wide emails and provide classroom updates at least once a month. There are several volunteer opportunities for parents both at school and at home, as well as active parent/teacher School Enhancement Team

On behalf of the Innocademy Allegan Campus staff, we would like to thank all of those who have helped make our school an amazing place for children to learn. Your patience, persistence, and willingness for change made this year possible.

Sincerely,

InnocademyAllegan Campus Team
