

Annual District Transparency Report

Innocademy Allegan - 03900

1. What was the total amount of the district's Section 31a allocation for the 2025-26 school year?

\$154,304

2. Describe the district's methodology and decision-making for distributing Section 31a At-Risk grant funds to target the buildings with the highest needs.

Innocademy Allegan is a single-building district. As a result, all Section 31a At-Risk funds are allocated to support students served at Innocademy Allegan.

3. What evidence-based interventions and services were implemented with the Section 31a At-Risk grant funds during the 2025-26 grant cycle?

Reading intervention services utilizing evidence-based instructional practices

Paraprofessional academic support services for at-risk students

Behavioral intervention and student support services

Evidence-based intervention software and instructional applications

4. In what ways has the district collected feedback from parents or legal guardians on these interventions and services provided this year?

Parent and legal guardian feedback regarding Section 31a-funded interventions and other state- and federally funded programs is collected through surveys, school board meetings, parent meetings, and ongoing communication with school staff.

5. Describe the method parents or legal guardians may use to provide feedback on the use of these funds.

Parents and legal guardians may provide feedback regarding the use of Section 31a funds by participating in surveys, attending school board meetings or parent meetings, contacting the school lead or classroom teachers directly, or communicating by phone or email.
